

# A Sample Set of Slides

Your Name Here

Totally Not the Last Minute

# An ordinary slide

With some text.

And a block

And some text underneath.

## SLIDE 2

Here are my notes.

## Another slide

- ▶ With a
- ▶ list.

## SLIDE 3

A note on my list.

## A slide to show overlay tricks

This text appears on the first and third versions of the slide, but not the second.

This uses beamer's highlighting command to draw attention here, but only on the second slide.

## SLIDE 4

Notes can also have overlay specs. First slide version note.

## A slide to show overlay tricks

This uses beamer's highlighting command to **draw attention here**, but only on the second slide.

## SLIDE 5

Second.

## A slide to show overlay tricks

This text appears on the first and third versions of the slide, but not the second.

This uses beamer's highlighting command to draw attention here, but only on the second slide.

## SLIDE 6

And third. Use  $\LaTeX$  macros in notes, like *emphasis*.
